Be a savvy bidder!

Make sure you're using all the features to find the good stuff and reading the "fine print" to make sure an item is a perfect fit for you. Want to participate in the auction but not inspired to bid? Take a chance on a raffle item, donate to AWA, or purchase a special AWA service—you'll find these on the front page of the auction. The auction is open until 7 PM on November 7 at https://www.32auctions.com/KB2026AWA.

Extended bidding is in effect: If an item receives a bid during the final 3 minutes of the auction, the end time *for that item* will be extended for an additional 3 minutes of bidding. This process repeats for a maximum of 30 minutes (so, until 7:30 PM), or until no new bids are received during the 3 minute bidding window. Extended Bidding messages will be displayed throughout the auction with a link for easily viewing all of the extended items. This feature gives you an opportunity to counter a bid placed with only seconds remaining in the auction!

Don't miss out on that item you really want! You have the option to receive **text notifications** if you are outbid. Your text message will include a link to the item so you can quickly reclaim your lead.

Bid often; bid high! Tell your local friends! **Item pickup for winning bidders will be at AWA on November 9 and 11. Sorry, we are unable to ship to winning bidders.**

Many of our auction items have been donated by generous local businesses. We hope you'll shop with them and let them know you appreciate their support of AWA!
